Learning Solutions

Empowering employees with education that works!

Knowledge is Power. With that in mind, Purchasing Power is excited to introduce Learning Solutions—giving employees a better, more affordable way to pay for education. Our mission is to enrich the lives of employees and their families by providing a wide variety of learning options coupled with a responsible way to budget for them through easy and convenient payroll deduction.

Choose from the following Learning Solutions:

Online college degree programs • Online high school programs • Professional certifications • SAT/ACT preparation courses

We've partnered with three leading online learning institutions – Princeton Review, Penn Foster and StraighterLine – to offer their programs at competitive prices, which are then paid for over 12 months of payroll deductions.

Test Preparation	Degree Programs	Certifications
The Princeton Review	**straighterline**	**PENNFOSTER**
Online SAT and ACT test preparation and tutoring	1st year of college and individual college courses	High school and career diplomas and professional certifications

Computers, technology, and now, Learning Solutions... Purchasing Power gives your employees access to everything they need for successful online education, and a more responsible way to buy it all!

No matter your employees' needs – whether they want to go to college or earn professional certifications, provide tutoring to their children, or help their high-schoolers earn higher SAT scores – Learning Solutions, brought to you by Purchasing Power, makes it easy and affordable!

Learning Solutions is the perfect supplement to your existing Tuition Reimbursement and Training Programs. It also supports your HR objectives:

- Training
- Retaining top talent
- Recruitment
- Employee engagement

Make a real improvement in your employees' lives. Learning Solutions benefits the whole family and provides another reminder of your organization's support.
